Materials required:- no. 20 thread, 2 small beads on Sh1 for eyes and 3 yellow beads for beak (or the equivalent bugle bead) which are added to a long picot ([see this link](#)) The completed owl measures approx. 2" x 1 3/4".

Skills required – Skills – onion ring, drop picots, block tatting., Victorian 'sets'.

Abbreviations

R	ring	Ch	chain
- or p	picot	SR	split ring
/	after the / make 2nd half of SR	smp	Small picot
+B	add bead to picot before joining	SS	Switch shuttles
RoCh	Ring on Chain	vsp	very small picot (smallest you can make)
Lj	join made with shuttle thread	+	join
RoSR	ring on split ring	Cl	close
S	start	seta	four first half of ds
setb	four second half ds	T & C	Tie and cut
DNRW	Do not reverse work		
Dp	down picot – work 2 first half ds, p (using second half ds) then another second half of ds and back to pattern – see diagram below.		

NB The red arrows on the diagram are to indicate the direction in which the wings are worked.
